

25/023/2022 4:00 PM

Dear All,

I am writing to let you know that we currently have four people (one resident and three staff members) test positive for COVID-19, including two staff from Mary's Grange.

As such we will continue full visitor restrictions; with a few exceptions, as usual.

As before, please rest assured, all other residents will not need to be isolated in their rooms

The RATs undertaken on Thursday all returned a negative result for residents, but did pick up one staff member.

Further testing of our residents will take place on Sunday and Monday.

All our staff wear N-95 masks and undertake a RAT every day, as per standard practice.

Thank you for your understanding and I can assure you that these measures are purely for the well-being of our residents and hopefully they will not be in place for long.

Penny

Manager – Aged Care

St Joseph's Lismore
