Hi All,

I'm writing to let you know that all residents in Mary's Grange tested negative for COVID-19 today.

This is good news as it means in accordance with guidelines, we have now applied for de-escalation of our outbreak status and await further instructions.

I want to assure you that as soon as we receive notification from the Public Health Unit that it is safe to ease visitors restrictions, we will do so.

As always, I appreciate your patience and understanding as we keep our residents safe.

Regards,

Penny
